Number 13.

SENIOR PLAY

Anne-Whats-her-Name the senior play was given before a crowded house. The cast consisted of a group of talented all-star players.

The success of the play was largely due to the direction of Mrs. Morse, and the splendid make-ups by Mr. Fish.

A very difficult part was well taken by Andrew Stevens as Tony Wheat, the hero of the play.

Frank Denzer, Burk's, Tony's valet was talented in that role.

Margaret Note, as Marjorie Bunby, a very modern young woman, played her part well.

Marjorie Caster, Aunt Julia the Judges sister-in-law, made a very detailed "Old Maid"!

Elsie Edwards, as Barbara, played the part of a modern young flapper.

Cecil Hartley, as Willie Peabody, was a bashful but ardent lover of Bob's.

Mildred Hughes, as Mooney, made a successful actress never letting us forget her nervous indisposition, and her horror of fires.

Joseph Angell, Doran, the plain clothes detective took his part wonderfully, being not in the least non-plussed by a houseful of women.

Scott Kerns, Judge Bunby, the head of the house was the center of a great deal of excitement caused by the loss of his black pants.

Dorothea McClain, Gran'ma, was a very up-to-date old lady with an aversion for hospitals and spiders.

Emma Johnson, Louise, adapted herself easily to the whims of Gran'ma.

Everett Martin, the doctor, made a grand success of the operation.

Jeannette Sheets, Nancy Brown, played the difficult role of the mysterious wife.

Glenn Nichols, Ebenezer Whittle, had a very difficult time trying to dodge the policeman and find his life.

Winnifred Schnack, Mrs. Ebenezer Whittle, acted well the part of a worried woman looking for a husband who was lost, strayed or stolen.

Josephine and Ebenezer Whittle, the two most important stars in the cast were represented by Dorothea's Doll, as Ebenezer and Irene Stedman, as Josephine.

The Senior Class are to be congratulated upon their able presentation of an unusually good play.

Official publication of the Associated Students of the Phoenix High School. Published twice a month during the school year.

Prices are 50¢ a year or 5¢ a copy. Ads are 25¢ for 2½ in. and 10¢ an inch for all over that or two dollars a page.

EDITORIAL.

Our schoolhouse and grounds are not what they should be. There is a great need of improvement both for the building and grounds. Paper and all kinds of trash are lying all around. Only a few scattering flowers are to be found. And on the whole neatness is lacking.

As we walk into the hall a state of disorder again presents itself. And so on through the whole building.

You will doubtless say, "How can we improve them?"

First let us take the building inside. The hall is very inadequate. About one-third enough coat hangers are found and not nearly enough shelves. This could be easily overcome. Coat hangers may be purchased at the Woolworth Store at a reasonable price, and shelves could be made from boards that are not in use around the basement.

The assembly room is very untidy. The desks should all be revarnished. The pictures on the walls are dirty and are hanging at an angle of fifty degrees. These must be washed and hung straight.

The boards should be cleaned daily and also the erasers. The blinds should be dusted and cleaned and repaired.

The whole room needs to be repapered.

Now for the grounds. All loose sticks, rocks, boards, paper, pine cones, pine needles and orange peelings should be picked up.

A garbage can should be placed on the east side of the grade building and all scraps placed in it daily. The janitor should see that this is emptied at least twice a week.

The yard around the Phoenix Memorial Hall should be leveled off and flowers and trees planted around the building. If the school board would give their permission climbing vines could be started on the building.

Around both school buildings a lawn should be planted.

Flowers should be planted in every available place on the grounds.

--D.M.

PHOENIX GARAGE.

Phoenix has a garage, owned and operated by Walter Allen. Mr. Allen studied in Portland last fall, and we feel sure that he will make a great success in this business.

The one thing needed to make Phoenix a perfect town was the fine new garage, which we NOW HAVE!

FRESHMAN CLASS NOTES

The Freshman Class was quite lucky because only three members had the measles. They were Ethel Alford, Meredith Sheets and Edith May. The rest were lucky enough not to get them but those who had them are back now and the class is hard at work again.

Violet Belz was absent Monday morning.

Evil Roder's sister, Alpha, visited school last Tuesday.

We all know that Meredith likes to miss his examinations but it was necessary for him to do so last Friday on account of sickness in the family. Never-the-less he has made up lost work and has taken the examinations with very satisfactory results.

The Freshman English Class is working on Zona Gale's interesting play "The Neighbors."

What would happen if:

We know the mystery in which Violet is involved.

At least two Freshman girls would bob their hair.

We are wondering if the Freshman Class can endure two weeks of waiting to appear before the public.

JUNIOR NOTES.

Joseph Angell has been training early every morning for the 380 in track, but now that he has injured his knee, he probably will not be able to run.

Andrew Stevens has at last reached the goal of his ambition. If a Ford could only talk!

It looks as though Alene Dayton was tired of trying to make Frank toe the line.

Lella Mast spent Easter Sunday hunting wildflowers.

Ethel Alford started to school again Monday.

Scott Kerns' attention is divided between tennis and Talent.

Everett Martin has surprised us all with his marvelous ability on the tennis court.

SENIOR CLASS NOTES

The Senior Class have purchased a large pennant and eight small individual pennants for the Gym.

The individual pennants are arranged in a circle. All the pennants are navy blue with white letters, which are the best school colors afloat. Our senior class is proud and very glad and very glad to leave these little tokens for a mere remembrance of their attending this, our high school.

The school now has a number of pennants on the wall of the Gym. some from different states and colleges for which we are very grateful to the senders, for these greatly relieve the bareness of the front wall of the building.

Dorothea McClain the Senior President, has bobbed her hair, we are now waiting to see who will follow her example.

Mildred Hughes has followed Dorothea's example.

Sam Johnson attended the play entitled "The Smugglers" at the Armory Monday evening.

Jeannette Sheets attended the dance at the Oriental Ball Rooms Friday night.

Lisie Edwards attended the "Pirates of Penzance" April the 10 and was very much pleased with it.

Marjorie Easter was a visitor of Table Rock Sunday.

Margaret Lotz and her fiance inspected the Cliffs last Sunday.

Winnie Schnack is planning to join the S. D. A. or in other words the Senior Bobbed Klan.

The Senior Class are very proud to have the honor of having one of their members in the "Pirates of Penzance". Jeannette was also in "Iolanthe".

The thunder roared
And the lightning flashed
The big tree fell
And the toad was mashed'.

Please hand it in.

Some folks won't mind their Business
The reason is, you'll find:-
They either have no business,
Or else, -they have no mind.

COME TO THE COMMUNITY
PROGRAM. MAY 9, 1924.

ANOTHER GOOD TIME.

May 6, will be community afternoon and evening. Everyone is invited. Bring your basket and we shall all bring ours and join together and have one fine time. There will be ice-cream and lemonade booths on the grounds too! At eight o'clock Phoenix High will present two short plays, one of which will be "The Neighbors," by Zona Gale, Folk dances under the direction of Miss Carver will be given. The admission will be only 15¢ and 25¢ and we assure you a good time. NOW DON'T FORGET THE DATE--MAY 9th and watch for further announcements of the evening's entertainment.

FOLK DANCING.

Several of the girls of Phoenix High School are taking up folk dancing under the direction of Miss Fay Carver. The girls are very fortunate to be able to get this training since Miss Carver was considered an exceptional folk dancer when she graduated from O...C. She has had experience teaching in the Ashland Schools.

THE DEDICATION OF PHOENIX MEMORIAL HALL.

The evening of April 5th is an evening long to be remembered by the people of Phoenix.

The program consisted of many fine speeches. Supt. Briscoe of Ashland spoke of the better opportunity of physical culture with a good hall, and Porter J. Neff of Medford said it was fitting that we should name this building Phoenix Memorial Hall in memory of soldiers from here who gave their lives for their country for this hall was a place to fit boys and girls to better aid their country. He also said that this was an excellent meet-

ing place in the community, where people of different beliefs could meet and learn to understand each other better.

This program was followed by a basket ball game between the grade boys of Phoenix and Talent, resulting in a tie score of 4-4.

To cap the climax of the evening's enjoyment sandwiches and cake were served to all.

This was indeed a fitting program for the occasion.

FIRST GIRLS BASE BALL GAME OF SEASON.

The first Girls base ball game was played at Talent. The usual good luck accompanied the Phoenix team. The result of the hard hitting and swift playing of both teams was a score of 60-19 in favor of Phoenix. Standing in the side lines was our little Mascot, Ruth Reed.

The Boys base ball team went to Talent April 11 and played six innings with the Talent hi boys. The game called for five innings but as the score was a tie in the fifth one more inning was played in which scored and P.H.S. was unable to push a man across home base.

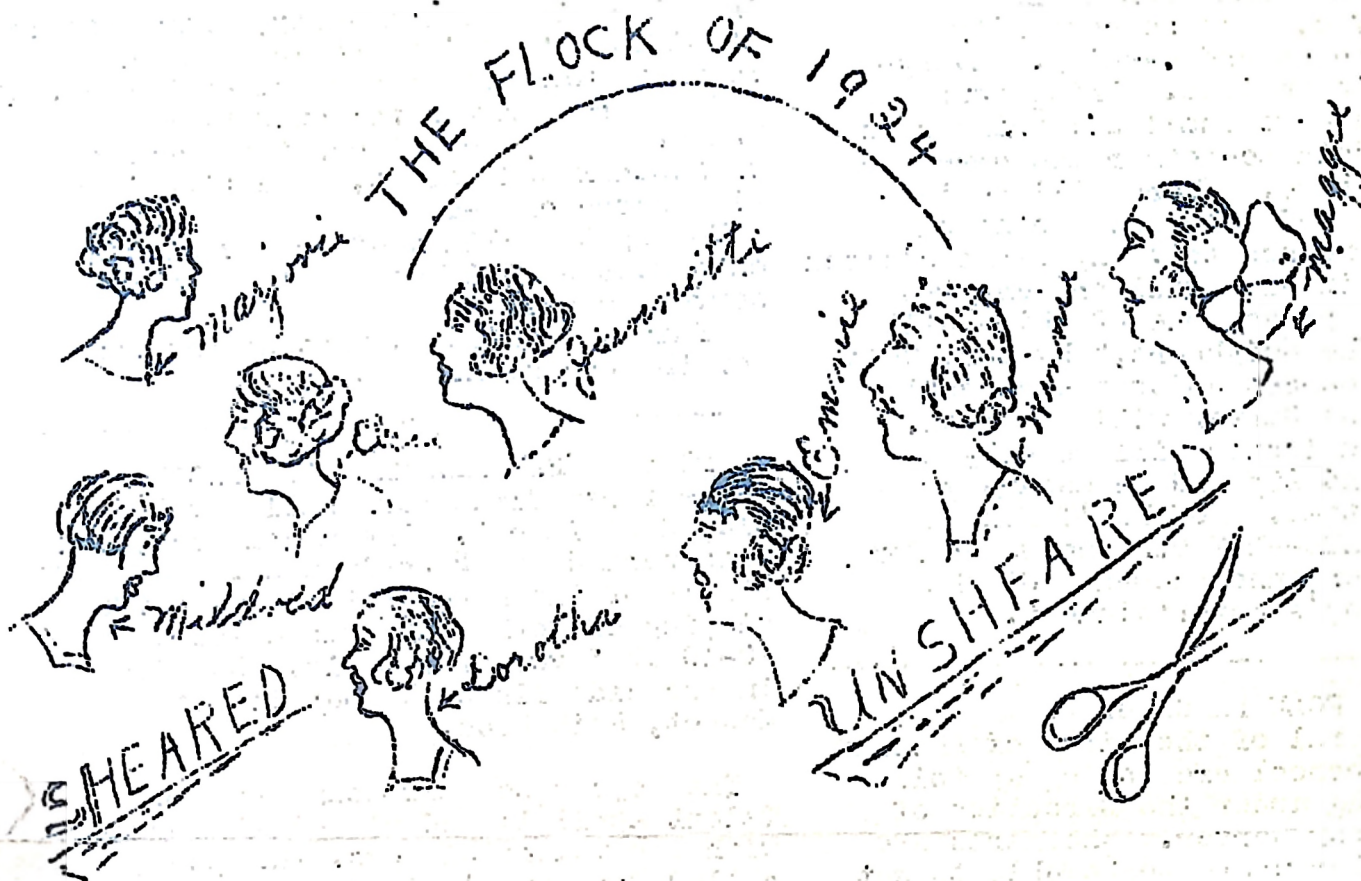

The final score was Talent 9-----Phoenix 8.

BASKET BALL GAME.

The Phoenix Basket Ball team defeated the Central Point team by a score of 13 to 13.

Since it is late in the season as everyone knows, to play basket ball we wish to state that the game was scheduled for two main reasons. They were, first to get some money for the Student Body, and second to give several of the Central Point boys an opportunity to play one more game which was required by the rules before they would be entitled to their letters.

It will not be necessary to describe the game as probably everyone has already heard about it.

We have Observed:---
That Allen has to ask Margaret every day where the History lesson can be found.

Everett Has a fond smile for Jeanette.

Bessie has joined the "Bobs".

Andrew's interests are no longer in Talent but Glenn seems to like Talent better.

Cecil still has a few smiles for Barbara.

Mr. Kerns Looks over the room every morning and noon to see how many long-haired girls he has left.

Dorothea looks towards California. Cheer up Dorothea absence makes the heart grow fonder.

Mildred has a time with the Barney Googles.

The Spark Plugs did not come in 5 days late but did come in 2 m les ahead of the poor old Barney's.

Alene has a ring. Who in the World is the lucky fellow?

BASE BALL GAME.

The Phoenix girls played the J'ville girls at Phoenix Tuesday evening and lost by the score of 20 to 16.

Luck must have been against the girls because they could not bat as they usually do.

This leaves Jacksonville and Butte Falls playing this week to decide who plays at Track Meet Saturday.

U. of O. REPRESENTATIVE.

Mr. Robinson of the University of Oregon gave a very interesting talk to the students of the High School and the seventh and eighth grades yesterday.

PICNIC TO-DAY.

HARRUH FOR THE SPARK PLUGS.

7th and 8th GRADES

One more pupil has been added to our 7th grade, in the person of Alpha Binkley, sister of Twila Rader, who comes here from Beagle, Oregon.

The A and B classes are practicing hard, hoping to win the cup this year. They are making quite a showing. Mr. Tyrrell thinks we have a good strong team this year.

At the fair grounds next Saturday April 26, Phoenix will meet with all other secondary schools of the county in the regular, annual track and field contest, we are working hard to at least let other schools know that we are present.

Practically all the grade pupils who have been having a time with the measles are over them now and back to school again.

PHOENIX GRADS VS. TALENT GRADS.

Saturday night April 12, the Phoenix grade boys played the preliminary game with the Talent grade team. The game was fast and interesting and, probably due to the close defensive play of the Phoenix team the score at the end of the game was 4 to 2 in favor of the Phoenix Grads.

SOPHOMORE NOTES.

The Civics class has finished the text and is now studying the Constitution for we believe that in order to become good citizens we must study and know the Constitution.

The Sopas always thought that they were smart until they came to the problems of constructing their own proof in geometry, then they decided they were not.

Bessie and Irene are glad to state that they are near the end of the text in American history.

They are now working hard to complete the book "The Tale of Two Cities."

Cecil was out of school the other day to celebrate the birth of his new bicycle, "Rolls Royce."

We are sorry to say that Glenn got lost on by the depot.

The deepest problem of Irene and Bessie is which will get her hair bobbed first.

The Sophomore Class offer their heart felt sympathy to Frank with his load of sorrow.

ALUMNI NEWS

Born to Mr. and Mrs. Jack Allen a fine baby boy on Easter. Mrs. Allen was formerly Lois Rice. As yet they have not named the boy.

OF THINGS-THE CONSTITUTION.

Elsie Bolz and Twila Rader were the two members of Phoenix Hi who entered the oratorical contest sponsored in this state by the Portland Telegram. Mr. Barnes, Mr. Hearn and Mrs. Ferns acted as judges and chose Elsie Bolz to represent the school.

The County Try-out was held at Medford high school, Friday Night April 11. John Galey of Ashland won first place, Alvin Robinson of Talent, second, and Elsie Bolz of Phoenix, third.

John Galey, won first place in the Southern Oregon zone contest April 18 in which Lake, Klamath, Jackson and Douglas were represented. The next contest will be held at Portland. HILL'S TO YOU, JOHN!

COMMUNITY PROGRAM.

The community program given in the school auditorium Friday April 12, was a great success. The grades presented several numbers which were very much appreciated.

A special surprise was the presentation of Mr. and Mrs. George Andrews, Ed Andrews and his daughter Victoria Andrews. Words cannot express our appreciation of this special feature.

The audience was very much disappointed because Fletcher Fish

COMMUNITY PROGRAM.

disappointed because Fletcher Fish refused to sing to us.

The High School was well represented by the Orchestra, a solo by Jeannette Sheets, the Boys High School Quartet, a saxophone solo by Frank Denzer and the Freshman Trio.

County Supt. Carter gave a short talk on "The Teacher and The Community."

The program closed with an interesting address on "Influence" by Supt. Kerns.

Grounds, Saturday, April 26.

All of the smaller schools will be represented and 73 big events will occur. The first event will be a baseball game between the girl girls team that win from this section of schools and the winners from the northern section.

After this there will be races, high jumping and such events in A, B, and C classes.

The ball game starts at 9:00 and the events will be steady until finished.

Everyone come and watch the children run and jump.

TRACK AND FIELD MEET.

The track and field meet which has been held at Talent every year will be held at the Fair
